St Barnabas
CHURCH CENTRE

St Barnabas re-opened in 2012 following a major refurbishment and is now considered one of Birmingham's finest conference venues. It provides a truly unique experience in an atmospheric heritage venue. There are flexible rooms available to suit all kinds of events from 1-to-1 meetings up to large conferences, in an environment that has been sympathetically refurbished, with state of the art technology. All this and a genuine bit of history too, as the original St Barnabas runs right through the venue, providing a fascinating and unique feature. At St Barnabas we are committed to exceeding your expectations.

- 5 flexible meeting rooms (the largest of which seats 250 delegates theatre style)
- FREE strong WIFI
- Fully integrated AV system for presentations, videos and audio
- Integrated PA system
- Onsite technical support
- Ample Local Parking
- Easy access – a 10 minute walk from Erdington Station
- A wide range of catering options including The Harbour Café
- Experienced and friendly conference crew
- An iconic and unique environment

CATERING

We provide a wide range of catering options.

We are proud to offer fair-trade and local produce options across our range.
We serve fresh tea and coffee and a variety of made-to-order buffet lunches.

...and you can meet, relax and enjoy your refreshments in the spacious and unique area of The Harbour Café. It provides the perfect catering option for meeting at the start of the day, for breakouts, refreshments and for taking time out at the end of your event.
We always tailor our service to meet your needs, so contact and tell us about your requirements.
